SHERAKHAN is the culmination of a dream for her owner. Whether it be the Dining room for 22 with its massive 7m Atrium bathed in natural light filtered down through the glass bottomed Jacuzzi. (Seating 18). or the Joy of standing in the lookout house perched above the sundeck a massive 20m above the water line. Suites range from 30-50 square metres and are impressive for their decor , style and of course sheer size. Master with Jacuzzi , revolving bed, private terrace, lounge area/study.

The owners study / lounge also converts to an independant double with its own en suite. One further double on the owners deck; There are Eight further equal sized cabins 4 doubles and four twins (two convert to doubles)convertibles plus two smaller cabins with bunked twins that each link to a double -suitable for children , nannies or staff.

All the double beds are king size . All suites are equipped with a television, DVD, stereo, mini bar, safe, air-conditioning/ heating, a vanity table/desk, a computer point, relaxing chairs, saloon table, a very spacious walk-in closet, bathroom with toilet, bidet, bath (Jacuzzi), double basin and shower.
